SANTA ROSA QUILT GUILD

BLOCK OF THE MONTH FOR September

Due second meeting in October

ROWHOUSES

This makes a 12’ block and is paper pieced. You can also make this a pieced block just be sure to allow ⅛” seams on all edges.

You will need to print one copy of the template page per block you want to make on very lightweight paper. You will also need one 4½” SKY square. Fat quarters will be fine.

After your units are paper pieced lay them out as shown at left. Sew two Unit 1 roof units and one sky square together to be Row 1. Sew two Unit 2’s to two Unit 3’s to make the second stories of the tall house. Sew these to third Unit 1 roof unit to make Row 2. Sew three Unit 4 door units to three Unit 2’s to make the bottom stories of all three houses. Sew these together in a row to make Row 3. Join the rows and you are done!

This block is an original block from www.quiltercache.com
RowHouses

unit 1 - make 3

unit 2 - make 5

unit 3 - make two

unit 4 - make three
