Block Name: Pieced Heart
Finished Size: 6”

White Background:
- one 1-1/2” x 6” strip
- one 4” square

Pink or Red Fabric:
- two 3-1/2” squares
- one 4” square

Top Row

From white background strip, cut four 1-1/2” squares. Draw a diagonal line across wrong side of each square. With right sides together, and stitching ON drawn lines, stitch 1-1/2” background squares to upper corners of 3-1/2” heart fabric squares as shown in diagram A. Trim excess, leaving a 1/4” seam, and flip corners up. Press seams toward darker fabric. Join the two blocks together to form top row.

Bottom Row

Place 4” squares right sides together, and draw a diagonal line across the light square. Stitch 1/4” seam AWAY from line on each side. Cut on the penciled line, and press seams. Trim off “ears”, measure block and square up to 3-1/2”. Press seams, and join together to create bottom row.

Finishing

Join top and bottom rows together. Make several!!
