

It's A Mystery (but not mysterious) ...

Part 2

Fabric required:

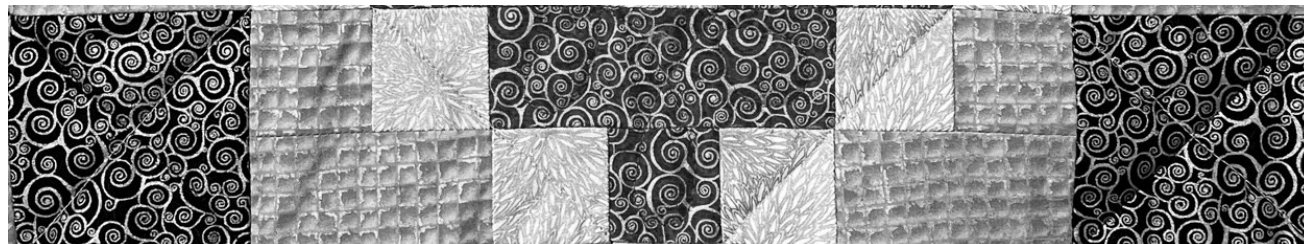

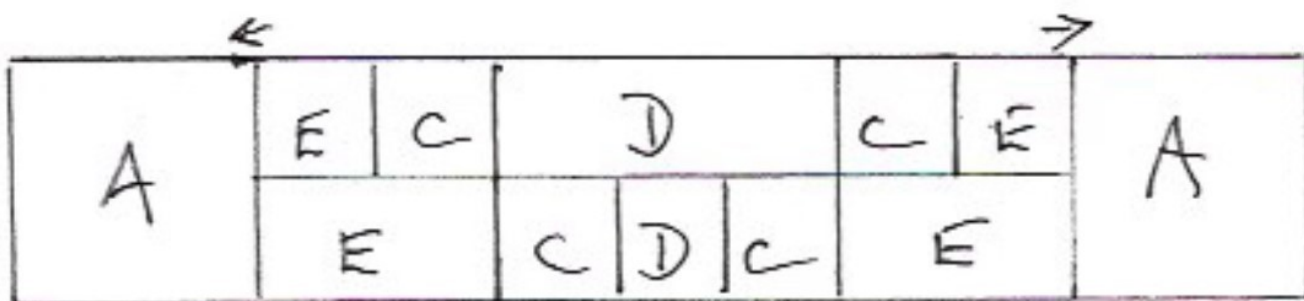

Fabric A - 2 strip sets sub-cut to 24 ea. 3-1/2" squares

Sew one 3-1/2" square Fabric A to the ends of **12** of the Unit 1 sets you finished in Part 1.

You will be using the other 12 sets later.

As you should always press to C, also always press to A.

Unit 2

The orientation shown (above) is the flip of Unit 1 shown in Part 1. Not to worry, it all works out in the end. Ahh sweet mystery!!

You have 12 Unit 2 blocks completed.
