## President's Message

One of the tricks we all learn as quilters is when to step away.

Yesterday I was sewing the binding to the back of a large quilt that I've been working on for years. I have only one side left to complete it. I patiently threaded my needle, gave the thread a good coat of "Thread Heaven," tied a quilter's knot at the end, and completed my first stitch. So far, so good. On to the next stitch, pulled the thread through and instantly created three loopy knots. I tried to unknit it to no

Janet Shore, taking Jim's advice to step away from stress, at the Sonoma County Fair.

avail, got my scissors to cut the culprit, and started over. Not enough thread to justify using what's left, so I got the spool, cut another piece, and repeated steps one through four. As I made my second stitch, I pulled the thread through and created two loopy knots this time. Okay. The universe is telling me I should be doing something else, so I put the project away and went out to the garage to continue with the laundry.

This has happened to me while sewing on my machine, too. Starting a new project, the bobbin case is cleaned, new bobbin, new needle, carefully thread the machine. I can tell by the first few stitches something's not right. Cut the thread, major bird's nest on the back. Reset the bobbin, rethread the machine, try it again, and I'm making a new home for our neighborhood hummingbird.

I'm sure I'm not the only one. There are times when you just need to take a deep breath and step away for a while ... change your focus ... perhaps see it as another lesson in having patience (how many times do we need that message?).

Step away for a while ... a good skill to use dealing with life in general these days. I've stepped away from watching the news; I've stepped away from reading the newspaper (and skip by most news posts on the internet). I admire that some people can stay immersed in the craziness, but for me, I treasure my sanity. I'm not advocating turning a blind eye or trying to ignore what's happening. I vote; I write my congress people. But more im-

portantly, I always try to be kind and to help spontaneously. For me, acting locally is the most effective way to create change.

I am grateful for the Santa Rosa Quilt Guild being a safe haven in the storm. No matter how we view the direction the country is taking, we can meet together with our love for the art and craft of quilting, and step away from the disagreements and madness, even if for a few hours. It is through the sharing of our talents with the community that we are all creating change.

## MICHELLE GEORGE September 22, 2017

On September 22 Santa Rosa Quilt Guild will host its first ever "free" workshop to members. Michelle George from Merced will be teaching two quilts patterns; The Flying Geese Log Cabin which uses jelly rolls and The Disappearing Pinwheel which uses layer cakes. Signups are now closed as we have reached are maximum capacity. Lunch will, also, be provided. THIS WORKSHOP IS A CLOSED WORKSHOP. It's very disruptive to the continuity of the class to have non-enrolled people show up to talk, have lunch or check out the projects. Please do not invite anyone to stop by and visit. Information regarding the supply list can be found on the website under Programs and Workshops, September. If you have not indicated which pattern you want to make please let Janice Rodgers know ASAP.

## PAT SPETH October 19 & 20, 2017

### October 19 Program

#### "Five Inch is a Cinch"

Pat Speth began quilting in 1988 when she purchased a wool quilt batting from her Grandmother's auction. "I checked out a stack of quilt books from the library and fell in love with the patterns and designs; I knew I could not stop with just one quilt."

Pat started working with 5 inch squares as a basis for her quilt making in 1993 after attending her first retreat. She was asked to do a program for her guild in 1997 using the 5" squares, which gave her the push to explore new uses and techniques for working with the squares. Pat, while working a full time job, started on the book, *Nickel Quilts* in 1998 and was able to have it ready for the publishers in June 2001.

She loves teaching the methods for working with the 5" squares, and sharing her quilts with others. After juggling her full time job and her quilting for many years, Pat moved into a full time quilting career in July 2003. "I have found my passion in life, and I can't imagine doing anything else."

When she is not quilting (a rare and odd occurrence) Pat enjoys traveling with her two webmasters and children, Ray and Roxie, who keep her from getting lost in foreign lands. She lives in St. Paul, Minnesota. Her lecture is entitled "Five Inch is a Cinch--How Nickel Quilts Are Created" --This trunk show is sure to get quilters fired up about using 5" squares of fabric. Pat will bring a great assortment of quilts from her collection. You will learn to focus on the blocks in the quilts and the simple components from which they are made.

### October 20 Workshop

#### "Picket Fence Units"

In this workshop you will learn how to make the picket fence unit with the sew & flip method. No triangles to cut or bias to work with. You will receive a handout that includes 39 design varia-

To locate her instructions, click on the underlined “here” in the second paragraph at the top of the library page. Let me know if you would like guidance with the site and we’ll sit down at the Library’s laptop computer after a meeting. *A hint: if you are looking for an author, remember to type in the last name first, and if you are searching for a book title, type in the first “important” word leaving the a, an, and the’s ‘til the end.*

## Boutique and Raffle

Thank you to all the ladies who offer to help set up the Boutique. All help is greatly appreciated. Mary Wood is a wonderful helper, arriving early to set up and staying late to put everything away. Of course, Chris Nolen (the boutique slave) does a fabulous job in coercing all of you into buying your raffle tickets. Sales are almost always over \$120 if Chris is on the job selling tickets. If everyone only donated \$1 a meeting to the raffle that would be over \$100.00 and go a long way in paying the rent for the day.

Superior Threads sent an email several weeks ago saying the price of Omni thread was increasing. I promptly placed a large order to replenish all our favorite colors and ordered more needles, too. So be sure and come by and take a look at our huge selection. You cannot buy these cones anywhere else in the area. There are other threads as well, and a small selection of micro thread that came highly recommended if you want the thread to disappear.

Winners for the last meeting were: Becky Stanley, Toni Anderson, Ann or Chris Nolan, Becky Stanley again, and Judy Wellock.

Thank you everyone for participating.

## Sew-A-Row

The FINAL round of nearly all of our SAR's is in progress. I continue to be surprised each month with how the interpretation of these collaborative projects is coming along. I have really appreciated all of the questions and opinions expressed by various members. It is a direct reflection of the artistry and enthusiasm demonstrated by our guild in how it approaches a challenge.

Keep up the good work. It is an honor to be involved with this committee, and both Sharon Oman and I are enjoying seeing your hard work come to life. Remember for round 5, (the final round) the due date is on the first meeting in November!

We have magazine subscriptions to: FONS AND PORTER'S LOVE OF QUILTING, MACHINE QUILTING UNLIMITED, AMERICAN QUILTER, QUILTMAKER, MODERN QUILTS UNLIMITED, QUILTING ARTS MAGAZINE, and MODERNE (from Quiltmania).

We also have many past issues of: PRIMITIVE QUILTS AND PROJECTS, QUILT LIFE (Alex Anderson and Ricky Tims (Discontinued 10/2014), MINIATURE QUILTS, Japanese magazines, QUILTMANIA (European), AND QUILTERS NEWSLETTER (September 1969 until October 2016 when, sadly, they quit publishing).

Wearing your nametag is a huge help to everyone. This is an excellent way for us to get to put names and faces together.

Check out as many of our more than 3,305 books, DVDs, and CDs, plus magazines, (and Go! Baby equipment as you wish) ~ just remember to return them to the very next meeting, pretty please, as there are so many members in the guild who also wish to use the items.

Our library needs many, many volunteers. You do not need to formally sign-up to help – we'll take whatever time you can spare before or after any meeting. If you do not like the job you are given, don't be shy – let us know what you would rather do. I can never thank everyone enough for their assistance and support with making our library the best in the entire world!

## Community Quilts

I hope you have all had a good summer. The end of the year will soon be here. Remember all the quilts we need to donate to the community at that time. More NICU quilts have been needed this year and lots of lap sized quilts for all ages. I recently checked how many quilts for Veterans have been made by Lavella and her helpers. Since 2013 they have made and donated 1,512 quilts! Wow!

Our last quilt a thon will be Thursday October 5. Make sure it's on your calendar. It is always a fun day at guild. Thank you for all the beautiful quilts.

- ◆ Please peruse the Silent Auction & Boutique before or after the meeting--not during the meeting.
- ◆ Please, do not browse the speaker's sales table during the meeting.
- ◆ Please set your cell phone to silent mode or turn it off.
- ◆ At Speaker Meetings, please move to the center of the rows and eliminate empty seats, so late-comers will be able to find a seat and not disturb the group.
