March 2018

Block of the Month

Due April 5, 2018

"M" is for Mimi's Choice

Continuing the celebration in the month of March of the Color of the Year 2018, Ultra Violet, Mimi's Choice incorporates 3 different hues all in the same Ultra Violet color. Block is 8 1/2" unfinished.

Cut the following:

- Color A: Cut 1 – 4 1/2" square
- Color B: Cut 1 – 4 7/8" square & then cut diagonally = 2 triangles
- Color C: Cut 1 – 8 7/8" square & then cut diagonally = 2 triangles

Sewing:

Sew scant 1/4" seams.

Note:

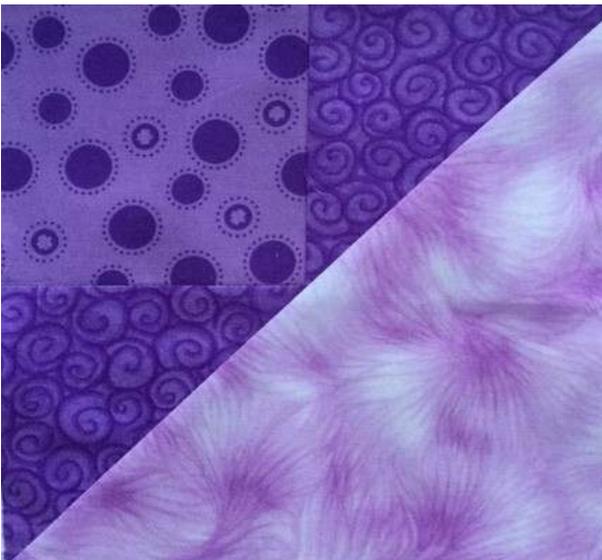

Since this is a quick and easy-to-sew block, have fun sewing lots of blocks. Not only does it increase your chances of winning the blocks, by putting 4 blocks together in a couple of different configurations, creates a larger, cooler block. Color C creates an extra; you are 1/4 of the way to creating a 2nd block!

Sew Color A 4 ½" square to one Color B triangle. Press seams towards triangle.

Sew Color A 4 ½" square to second Color B triangle. Press seams toward triangle.

Sew Color A/Color B unit to Color C triangle. Press seams toward Color C triangle.

Have fun creating Mimi's Choice block for the month of March!
