3. Place one marked white square face side together with one darker red and one lighter red square.
4. Sew 1/4" from both sides of the drawn line. Cut on the drawn line which makes 2 half square triangles (HST) of each. Press to darker side. Trim each HST to 2-1/2" square.

7. Assemble block with the white 4-1/2" square piece in the corner.
8. Block should measure 10-1/2" square.
