C. 1 ea. 2 1/2" by 8 1/2" ( row 3 of bonnet)

Embellishments

An embellishment can be added to C either before or after the bonnet is made depending on what you added

Instructions

1. Make 4 HST using the background fabric and the bonnet fabric. There are numerous techniques, use the one you're most comfortable using making sure the result is a 2 1/2 inches
2. Make row 1 of the bonnet with 2 of the HST and 2 A's. See picture. Row 2 are 4 A's and Row 3 is C. Sew row 1, 2 and 3 together.
3. Sew D to each side of the bonnet.
4. Sew row 4 with 2 of the HST and 4 A's together as shown. Sew this row to the bonnet.
5. Add E to the top and bottom of your bonnet, add your embellishments if so desired and now go outside and join the Easter Parade!
