

## **A Ha(y)re Tale for Mary Ann Hayre**

**I've wanted a rabbit quilt  
for some time. Now's my  
chance. Thank you for  
helping me with my rabbit.**

**Description: blocks should be 6 ½", 9 ½", or 12 ½ " unfinished blocks. You may make your block larger and I will size it down if needed.**

**I will provide hand-dyed indigo for the background. The rabbits may be made any way you wish: pieced, appliqued, embroidered, paper pieced, you name it, it'll work. I prefer bright colors, the brighter, the better.**

**Embellishments: Buttons, yo-yos, ribbon, machine and /or hand embroidery, photo transfer, lettering and paints can be used.**

**I would love any extra fabric that you would like to add along with your block. I will incorporate the fabric into my quilt.**

**Please sign your name on the front of the block with a fine indelible pen.**

**Due the 2<sup>nd</sup> meeting of March, 2018.**
