

## Riding Along – Friendship block for Community Quilts – Unfinished size - 9 1/2"

### **Fabric needed:**

Center Square – provided 3-1/2"

Color W – white on white: 1 @ 1-1/2" wide by 16"

Color A – 2 @ 4-1/4" squares; and 2 @ 1-1/2" wide by 16"

Color B – 2 @ 4-1/4" squares

Pick Color A and Color B from colors in the provided square, or colors that go well with the colors in the provided square. The colors should be solid or read-as-solid. Make sure you have a nice contrast between Color A and Color B.

Sew the white 16" piece to one of the Color A's 16" piece. Press to color A. Sew the remaining Color A 16" piece to the other side of the white, so that the strip has Color A on the outside and the white on the inside. Press to Color A.

Cut the above strip into 4 @ 3-1/2" pieces.

Draw a diagonal line on the back of the Color A 4-1/4" squares. With right sides together pin a color A 4-1/4" square to a Color B 4-1/4" square. Sew 1/4" on either side of the drawn line. Cut the square in half along the drawn line. Press open. You now have four half square triangles. Trim the half square triangles to 3-1/2". Place the nine squares as shown in the picture. Be sure the Color B side of the half square triangle faces the center. Sew the squares together making three rows. Press. Sew the rows together, matching the seams. Press.
