

You'll be constructing two sets of blocks for the mystery quilt this month.

A: Mosaic Blocks

Required precut Pieces

	Per Block Make 2	Total		
Background	Eight 2 1/8" x 2 1/8"; Two 7 3/8" triangles	Sixteen 2 1/8" x 2 1/8"; Four 7 3/8" triangles		
Leaves 1	Five 2 1/8" x 2 1/8"	Ten 2 1/8" x 2 1/8"	NOTE: Use squares set aside from the four patch in the hexagon blossom blocks, cut to size.	
Leaves 2	Five 2 1/8" x 2 1/8"	Ten 2 1/8" x 2 1/8"		
Solid 1	Six 2 1/8 " x 2 1/8"	Twelve 2 1/8 " x 2 1/8"		
Solid 4	Two 3/4" x 14"	Four 3/4" x 14"		

1) Arrange the 2 1/8" squares in this order:

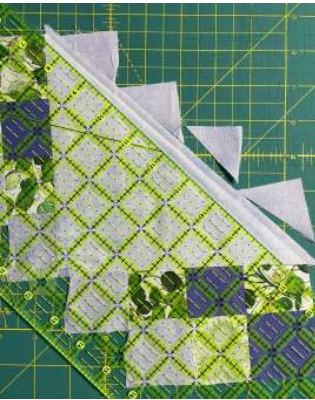

2) Sew each row together, pressing seams alternately so when you sew rows together the seams will nest.

3) Sew the rows together, press the seams open.

- 4) Sew a 7 3/8" triangle to each corner. Align the long side of the triangle 1/4" seam line along the points of the leaves square corners. Sew a quarter inch seam. Trim off points and press the seam towards the triangle. Repeat for other corner.

- 5) Cut the square diagonally through the 6 solid squares.

- 6) Lastly, press each strip of solid 4 in half lengthwise and baste on the flange along each diagonal edge. Recommend running the basting stitch at 1/8".

B) Trellis blocks - make 12 - label as Side 3

- 1) **Quarter Square Triangles:** With RST, sew Fabric A & Fabric D triangles together (short side) and Fabric C & Fabric B triangles together (short side). Press seams in opposite directions. Stitch the two sections together (center seam). Press seam open.

- 2) **Trim blocks to 4.5" X 4.5" squares. IMPORTANT:** Make sure center point is in the middle of the block - you will be trimming approximately the same amount on all 4 sides.
