- One stencil of your choice to keep

- Other stencils to play with in class

Workshop Outline

Morning:

- Basic stenciling techniques
- Color mixing
- Image placement: borders, all-over designs, and central motifs

Afternoon:

- Layering and shading
- Painting your own projects

I want to make sure that you have plenty of time to work on whatever you like once you have the basics down. I am looking forward to seeing you in class and discovering how creative you can be with the stencils. I usually have a really difficult time stopping the stenciling once I get started. I hope that you find the experience to be as rewarding as I do. Please contact me if you have any questions at: (707) 725-9124, or email me at [aprilsp@suddenlink.net](mailto:aprilsp@suddenlink.net)
