

## Supply List for the Ruler Work on a Home Sewing Machine

### Student Supplies Needed:

1. Quilt sandwich at least 16" x 16" consisting of: 1-top (a solid color works best), 1-80/20 batting, and/or 1-wool batting and 1-black batting. A second quilt sandwich to use for setting up sewing machine thread tension. **Contrasting** quilt thread: 40 weight (Magnifico, King Tut or Rainbow by Superior Threads) for quilting outlines. 50 weight (SoFine! Or Master Piece) for bobbin, 100 weight (optional Kimono Silk or MicroQuilter by Superior Threads. Threads named are examples only.
2. Your sewing machine with power cord, foot control, ruler foot (I have Clarity ruler feet available, e-mail me with your machine brand and model, cost is \$24-30 depending on shank size), top stitch needles (80-90-100), extension table and accessories including instruction book, oil cleaning brush, screwdriver, etc. Any ruler foot will work.
3. Basic sewing supplies as needed including: scissors, pins, fabric markers (Mark-B-Gone), Sewline), seam ripper, rotary Cutters, safety pins, sewing needles, painters tapes, quilting gloves, Easy Glide mat.
4. Ronda's Curved Crescent Moon, Ronda's mini Arc, circular nestling rulers, small straight cutting ruler (2 ½ x 6 ½ or 12 ½ x 1 ¼ or any small ruler you have) Cindy Needham Ultimate Stencils, I have several of these for students to use in class. **NOTE:** Please remove white plastic from rulers before class; keep circles together with painters tape. I have rulers and stencils available for students to try before purchasing!
5. Bring in a quilt top for us to discuss possible quilt lay out.

**Note:** I have curved and circular rulers, Cindy Needham Stencils, and Clarity ruler feet available for sale. E-mail me with your Model and Make of your machine and I will bring the correct foot for you. [ingerblood@gmail.com](mailto:ingerblood@gmail.com)
