

Clue #8

In this the last “clue” for the mystery quilt there are two blocks. The first block is #8.

Block # 8 is a single nine patch with the scrappy fabrics in the corners and center and the backgrounds in the North, South, East and West positions.

Make 1 of this block and Label it Block #8

The second block is **Block #11** make 8 of this block and Label it Block #11.

You will be happier with your end result if you actually make this a 9 patch and not insert a solid background square.

I hope you had fun with this so far...and if you are like me you won't even see a dent in your stash but hopefully you had some fun during our covid days. I will be sharing a block # listing via Sharon Fry eblasts later this coming week. The reveal will be in September.

Thanks for stitching along. Carole
