

## Instructions for Comfort Kitten

### Supplies

scrap fabric for body

White fabric and steam a seam 2 or wonder under for face

felt for ears

fiber fill to stuff body

Sharpie pen for face

normal sewing supplies

Ribbon

card stock for tags

- Cut out 2 bodies ( pattern body should be 5 1/4"), 1 face ( 1 3/4" wide) and 2 ears (1" tall)
- Fuse steam a seam 2 onto back of white material, draw face and cut out
- Stitch around face onto the front body fabric
- Place ears on the right side of the back fabric ( the bottom of the ears should line up with top raw edge of body and tip of ear facing center of body) pin in place
- Place front of body (with face) right sides down and sew 1/4" around entire piece leaving a 1 1/2 " opening to turn kitty right side out.
- Stuff kitten and whip stitch opening closed
- Create tags and use ribbon to tie onto the neck of the kitten
- Use sharpie pen to create face. (I also used some powdered rouge and a Q -tip to give the kitty little rosy cheeks.

\*\*\*Kitty should be about 5 inches tall when finished.
