

Friendship Block Request from Debby Bainbridge

Birds and springtime make me happy.

My Friendship Block request is for a block that has a bird on it.

The block can be appliquéd (hand or fused), embroidered or pieced. If you are paper-piecing, leave the paper on the block and I'll remove it.

I would like either a 6-1/2" block or an 8-1/2" block (finishes to 6" or 8"). If possible, Please make your block a bit larger and I will trim it down.

Background: Please use an off-white fabric.

Please pre-wash all fabric.

I would appreciate some scraps of the fabric you use so I can incorporate them into the borders and sashing.

Most importantly, please sign your name on the front of the block with a fine indelible pen or embroidery.

Thank you so much!

Debby Bainbridge
