

## President's Message

I have a compliment to share with all of our SRQG members. The Peninsula Quilt Guild was with us to share their Opportunity Quilt at our March 1<sup>st</sup> meeting—and they loved it.

It is always interesting to get a glimpse of our guild through the eyes of visitors. Joanne Dunbar and Elaine Yarbrough were so enthused. They called us a “nice group”, a “fun guild” and said that we had a “great meeting.” And this was our *Business Meeting!*

Well, it was a great meeting. Who wouldn't enjoy seeing and hearing Veline Ball and Joyce Wood introduce this month's Block of the Month while singing to the tune of *Danny Boy* and wearing shamrocks in their hair?

Janice Rodgers had us literally jumping through hoops for the presentation of this year's Guild Challenge. Are you curious? Stay tuned . . . Janice, Betty Upchurch and Diana Roberts have it all planned. You can find the information in our Newsletter.

Our Show and Tell was the best ever. Members inspired us with their personal quilt stories – and for some – the look of pride and amazement was still on their faces as they shared their finished quilt.

We are a remarkable group. So pat yourself on the back and while you are in the spirit be sure to compliment someone who has made our guild experience special for you.

*Janice Juul*

## Programs & Workshops

**MARCI BAKER**

**PROGRAM APRIL 19 2012 ~ “TOP SECRET TIPS AKA THE CLEARVIEW OF QUILTING”**  
**WORKSHOP APRIL 20, 2012 ~ “ABC 3-D”**

Join us for an information-packed program with Marci Baker. Marci will tell you everything you always wanted to know but were afraid to ask . . . about quilting. Marci shares a plethora of new ideas by identifying basic problems and sharing her solutions. You will not only know how something works, but why it works. Everyone will find answers to their questions on topics such as: bindings, foundation piecing, pressing, perfect piecing, joining strips, rotary cutting for borders and bias strips, and many more. Lots of tips and tricks that save you time and help you make a perfect quilt!

We are now taking names on a wait list for Marci's workshop “ABC 3-D”. You will have the opportunity to choose between two different patterns, the “Hollow Cube” or the “Honeycomb Waffle”

You can make this impressive 3-dimensional optical illusion with simple value selections, once you know the trick. Build the blocks using the strip-piecing method-so it's fast, too! In fact, it is easy enough for a confident beginner to do. Join our class and see how your blocks stack up!

## Coming in May

### Rami Kim

Program: "Two by Two"

This trunk show is Rami's new, fun way to show her award-winning pieces. When Rami creates an art-to-wear ensemble she makes matching quilts, bags, and dolls with the same designs and techniques. Over the years she developed so many matching pairs that she wishes to share these fun and beautiful sets, and to talk about how to apply the same techniques and designs to different projects as wearable arts, quilts, dolls and bags.

Workshop: "Free Motion Machine Embroidery"

You can draw whatever your heart desires and turn them into fabulous embroidery designs. Rami will teach you how to do free-motion machine embroidery on your project as she did in her award-winning garments and quilts. You don't need expensive embroidery modules or computer digitizing. Just come free-spirited!

## Community Quilts

Thank you to the many guild members who participate in making quilts for our community! We recently donated to Sutter and Memorial hospitals and to the Catholic Charities Family Support Center and Homeless Day Center. At each location, we were greeted with thanks and appreciation.

Pam is hosting a work party on **Thursday April 12** from 10:00 to 3:00ish. Bring your lunch and come for all or part of the day. We will be getting ready for our next Quiltathon on Thursday May 3. Check your membership roster for Pam's address and phone.

In 2011 our guild donated 25 quilts for 18 year olds graduating out of the foster care system, and we hope to provide the same number again this year. The size requested is 50" x 65". If you enjoy making these larger quilts, please consider donating one or two for this worthy cause.

Happy Quilting,

 Pam Beebe and Anne Dondero

## Technique Sharing Workshops

March brought us two long time SRQG members generously sharing their knowledge. March 1st Melissa Trunick took us on a mysterious adventure that ended with a beautiful star. The mystery quilt was a star that is kind of a mystery in itself. Melissa told us it didn't appear to have a name but was in a quilt made over 100 years ago. Because she couldn't find a pattern she created her own. If you'd like to see what it looks like check out our website under TSW. Those who brought their sewing machines stayed until it was time to lock up.

Our second TSW in March was presented by Sharon Fry who showed us how to make circles, bulls eyes, and drunkard's path blocks. Sharon is not one to let any fabric go to waste so she even let us in on her secrets for using all the scraps from the circles to make even more circles! Here's what Sharon said about this technique.

*"More than ten years ago I saw a quilt that I could not get out of my mind in our guild's library book QUILTS FROM AUNT AMY by Mary Tendall Etherington and Connie Tesene. Not only did I like the design, but I loved the technique. I was able to get the look of a Drunkard's Path without having to sew curves, and it is really easy to do. The bonus is that I figured out how to use the cut-aways to make smaller and smaller blocks, as I am known for wanting to use up my scraps."*

Thank you so much Melissa and Sharon for your time and energy. Sharon also gets a special thank you because we used her as our pilot experiment using the guild's new projector.

April has two more TSWs in store, neither of which is quilting. At our first meeting June Moes will teach us how to make knit hats and scarves using a knitting loom. If you want to learn this technique be sure to get the yarn and loom (see website for supply list).

After the April 19 meeting Jan Westerman will teach us the tricky technique for making pillowcases with a nice border. We have been making pillowcases for our troops in Afghanistan using this method but you can make them for other purposes as well. They make great gifts too! Supply list is available on our website.

Let me know if you would like guidance with the site and we'll sit down at the Library's laptop computer after a meeting. ## Pointless Sisters

The Pointless Sisters art quilt group has an exhibit at the Rincon Valley Library from April 2-April 22. This current exhibit features quilts from two recent challenges, architecture and food. The library is located at 6956 Montecito Boulevard, Santa Rosa and is open Tuesday through Saturday. Hours vary. Call 707-573-0162.

The Pointless Sisters group shares their work, discusses new trends and art quilt techniques, provides education programs and sponsors challenges.

The Pointless Sisters art quilt group meets the fourth Tuesday of each month from 10 a.m. to 12 noon at the Luther Burbank Art and Garden Center, 2050 Yulupa Avenue in Santa Rosa. A study group on color theory using the book *The Quilter's Color Club* by Christine Barnes meets monthly following our meeting.

## Sew-A-Row

April 5th is *"Time to pass your row to the next person"* day at the guild.

Please bring your sew-a-rows to the April 5th meeting so that the next person in line can pick them up and get started on row three. I will be in the back by the Sew-a-Row sign.

For those of you thinking "Drat, I wish I had signed up for a sew-a-row!", there are still spots available. Come on to the back of the room and look over the green "sew-a-row" notebook. Sign up in any of the blank spots. The motifs vary from airplanes, wacky 9-patches, lanterns and baskets to butterflies and cats. Come give it a whirl.

If you have any questions, feel free to call or email me.

Ellindale Wells

## Friendship Blocks

Explanation of program: The FB program is a "time release" block exchange - This means that every block you receive must be offset with a FB credit that you can acquire in one of the ways listed below (or, in other words, "there is no free lunch".) Anyone with at least 3 credits, may request up to 20 blocks to be made for them. Think of this as "borrowing" the other 17 credits from the bank so you can get your blocks early. If you actually receive 20 blocks, 3 of these are offset by your qualifying 3 credits - but you then OWE the bank the other 17 credits.

The ways in which you get credits: make a FB for someone else; make a block for the opportunity quilt; make a block for the President's gift .

There are quite a few members who have 20 credits or more already; there are even more members who are more than halfway to 20 credits; and there are many, many who have at least 3 credits and are therefore eligible to request blocks to be made for them. Let me know what I can do to help you initiate a request for blocks.

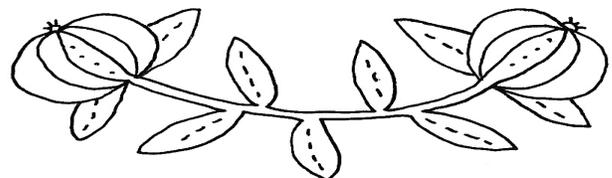

I cleaned out the files and there are also quite a few credits available from those who are no longer members, or from credit donations. These are being raffled off in groups of 20 credits. Tickets for three prizes of 20 credits each were sold in March, and will continue to be sold at the April business meeting. The raffle will be held at the end of the meeting and three lucky winners will be immediately available to request friendship blocks, without having had to make any in return! Tickets are \$1 each or 6 for \$5.

At this time, there are still two opportunities left to participate in Rhonda's friendship block, and we just opened Judy Bello's request for the "Cornerstone" block (the Dec block of the month pattern). Justine's modified "Lady of the Lake" block request might be ready at the next meeting, and perhaps my applique teapot block.

I look forward to seeing all the blocks that will be coming in this year.

Phyllis Gallaway

## Guild Retreat 2012

The first SRQG Quilt Retreat is scheduled for Aug 5 -10 at Zephyr Point Presbyterian Conference Center, right on Lake Tahoe (just north of Stateline on the east shore.) The cost is only \$425 per person double occupancy (\$200 single supplement) - this includes room with two queen beds, and all meals except one dinner, and the sewing room. There will be no TVs, radios or phones to distract. We have the sewing room 24 hours a day! You may request special diets and room accommodations. If you want to share a room and don't have a roommate, I will put you in touch with the other "solos."

This retreat is open to anyone who wants to come play with us - they need not be a Guild member. The sewing room has an entire window wall facing the Lake, so the lighting is wonderful. There will be one table per person, and additional ironing and cutting stations.

To make this happen, we need to commit to 12 rooms. At the time of this writing, we have quite a few rooms reserved but need to fill 3 or 4 more rooms. If you are interested, let me know earlier rather than late. You may download the flyer and registration form from our website "Downloads" link ([www.srqq.org](http://www.srqq.org)) or call or email me and I'll send one to you. It would be great if I had all the deposits (\$200) by the end of March, but the absolute drop dead date for deposits is the April 5<sup>th</sup> Guild meeting.

Bring a spouse or significant other or friend who wants to enjoy the local activities: golfing, fishing, hiking, horseback riding, many different forms of boating, swimming in Zephyr Point's lagoon, etc.

Please don't hesitate to contact me if you have questions or concerns.

 Phyllis Gallaway

Knowing that someone cares can really make a person's day brighter. Please contact me by phone or email if you know someone who could use a card on from the SRQG.

## Boutique & Raffle

The Boutique and Raffle continue to provide additional income for our guild due to the enthusiastic support of many of our members.

The Home and Garden Show brought in approximately \$200 for the Boutique and an additional amount for the Opportunity Quilt. Thank you to everyone who worked the home show. Glenda Ross does a great job enlisting help for the fundraising venues, and when she announces that she needs help, it is a great way for members to pitch in and help while providing some relief for the committee and board members. Getting involved is a great way to become an active part of the guild, and we need your help to participate in these events.

The month of March brought in approximately \$1,000 between the Opportunity Quilt and the Boutique, but this does not always completely cover the expenses of having one monthly guest speaker—a good thing to remember while enjoying the speaker, participating in the workshops, or enjoying the other benefits of guild membership.

Thank you all again for all the support and help in keeping the guild solvent, running smoothly and enjoyable for all.

& Carol Jarvis

## Community Quilt Sizes

If you are making donation quilt tops on your own, here are the approximate sizes which best serve most of our recipients:

- 32" x 40" Baby quilts — Our biggest need!
- 40" x 40" -- 42" x 42" Toddler quilts in bright colors, or lap quilts in adult themes
- 38-40" x 48-52" Valley of the Moon (big kids)
- 40" x 60" Adult/seniors (only a few needed)

None of our recipients need anything larger than this. If you have enough to make a larger top, consider making it into two smaller ones, which can help two people, and are easier to finish.

## SRQG Challenge 2012

We hope you will take part in “The Quilt Guild Challenge 2012”. The challenge runs from March 2nd until August 2, where the challenges will be displayed on stage. This year’s challenge is designed for quilters of all levels and interests. There are three sections in which to participate. Feel free to do one or all three!

- ◆ The first section is to make a block using either your first or last name’s initial, like R for Rodgers or Roberts. This section of the challenge is geared toward the beginning quilter.
- ◆ In the second section you make a traditional quilt block in which the name of the block begins with either your first or last name’s initial. For example if your first or last name begins with “Z” you could make the Zinnias, Zodiac Stars or Zygocactus block. Choose the block according to your skill level.
- ◆ The last section is geared to the art quilter. This quilt must have a minimum 25% of the surface with items found at the hardware store.

In all sections of this challenge the block size is your choice. Make a block that is really small or really large.

So often people choose to participate in these things and afterwards wonder what to do with the block. Use your block as a starter to make a pillow, a baby quilt, a wall hanging, a table runner, a community quilt, a bed size quilt, a gift for a friend or donate it to the “orphan blocks” group. One idea that comes to mind is to finish your block and enter it in the Citrus Fair in February or the county fair in 2013.

The library will have many books with patterns for either the initial or the traditional block. Ask Sharon Fry, our outstanding librarian, for some help to point you in the right direction. Good luck and let the fun begin!
