## President's Message

It seems a new year is starting for each of us personally and for the quilt guild. I'll be your new president this year replacing Janice Juul who was wonderful and a tough act to follow. I've only been a member for a little over three and a half years and yet I'm your president now. A little voice in my head says "God save us all," but I've had some great examples to follow. Linda Hooper was president when I joined, then Jan Andrews for two years with Janice this last year. Each of them different. Everyone of them excellent. My New Year's resolution is to be as good as they were. If there is anything I have learned about organizations, it's that they succeed or fail as a collective. Our guild, the Santa Rosa Quilt Guild, is loaded with talented and giving members who are passionate about their art and also their community and that's why this is such a great and successful organization. My job is simply not to "screw" it up. With your help I believe we will succeed.

## Programs & Workshops

**LAUREL ANDERSON**

**PROGRAM JANUARY 17, 2013 ~ "LAUREL'S SEARCH FOR PERFECT APPLIQUE"**

Laurel Anderson comes from a long line of gifted textile artisans. They called themselves housewives. Her mother taught her to sew when she was a young child. Laurel loves hand and machine applique and prefers natural landscapes that include flowers, trees and mountains. She is best known for her complimentary mix of color, pattern and texture. Laurel has shown her quilts in the Contra Costa and River City Guild shows, also at PIQF and in Lancaster, Pennsylvania. She has won Best of Show, First Place and Best Use of Color and Viewer's Choice awards. Whisper Color describes the technique Laurel uses to dye silk scarves, thus her company name was born. Laurel was born and raised on the West Coast.

**WORKSHOP JANUARY 18, 2013 ~ "SURVEY OF APPLIQUE: WHISPER OF SPRING"**

Learn to use a wide variety of applique shortcuts, notions and products in this fun class. Mix and match your favorite methods to finish your own beautiful Whisper of Spring quilt. Make perfect points and circles using Laurel's techniques. Make a pitcher out of layers of tulle, and if desired add beads to look like rain drops. Complete the quilt top in sections or as a whole scene, choosing your favorite seasonal colors. See calendar for more information on the workshop.

## Coming in February

Marjan Kluepfel is our instructor for our February 21 & 22 meeting. She will have a trunk show of her beautiful quilts on Thursday followed by a workshop on Friday. Her workshop is called "Fabulous Flowers – Fast, Fun, Fused." You will learn her easy techniques for producing floral quilts with oversized images. You will use an original flower drawing (20" X 23" provided by the instructor (\$10 fee). You will have seven flower choices: Poppy, Rose, Sunflower, Daylily, Calla Lily, Iris, and Bird of Paradise. You will translate this into fabric using contemporary methods and innovative art techniques, such as free-motion machine embroidery, thread painting, embellishing with Angelina fiber and beads, couching and bobbin drawing. You can see the flower quilts at <http://www.marjankluepfel.com>. You can provide your own fabric or purchase her hand-dyed fabric for \$20/yard which will give you graduations in color. Class fee is \$40. Please sign up at the next Guild meeting.

## Community Quilts

Our guild members are an incredibly generous and talented group of quilters. In 2012 we donated **1452 quilts** to deserving community members! Thank you to all who were part of the Community Quilts project this past year. **You are appreciated!!**

### **January 31st Fifth Thursday Retreat:**

9:00 – 3pm at Luther Burbank Art & Garden Center, 2050 Yulupa Ave. (south of Hoen Ave.) Hosted by Community Quilts, members may work on their own projects and/or donation quilts. Bring your lunch if you'd like, and come and go as you please.

Community Quilts will have quilts to work on in all phases of completion. If you'd like to quilt, please bring your machine with a walking foot or free-motion foot. Hand-sewers, please bring your favorite scissors, needles, and thimble.

Join us for a relaxed day. These retreats are a wonderful opportunity to get better acquainted with other guild members.

### **February 7<sup>th</sup> is our first Quiltathon of the year.**

Mark your calendars and plan to join us for a great day of visiting and working together on quilts for our community. More details will be coming soon.

## Block of the Month

As the new co-chairs of the Block of the Month, we first will say a big "thank you" to Joyce Wood and Veline Ball for last year's adventures with the "Log Cabin." It was fun to discover the variations of this versatile pattern, and we received a good response. Again, our thanks go to Joyce and Veline.

Our theme for 2013 will be "Never Enough Nine Patch." Just like "Log Cabin," there are endless variations to explore. January starts off with the classic "Double 9 Patch."

We've made a couple changes to the program this year. First, the directions for all blocks will request the use of **white tone on tone** for the background, thus giving the blocks continuity throughout the year.

Second, with that continuity in mind, we strongly suggest that you make a second block for yourself in your own chosen color scheme, so at the end of the year, you will have the blocks to make a sampler quilt.

Third, we have changed the schedule for holiday blocks so that, by the time the holiday has arrived, you will have had the chance to finish the top. Therefore, January's block will be a green and white combination in honor of St. Patrick's Day in March.

We're excited about exploring the versatile "Nine Patch," and hope you will join us on our journey.

## Library News

The following is a list of the books that came into our possession since our last newsletter. For images of the covers and more detailed descriptions of the items, just click on LIBRARY on our website [www.santarosaquiltguild.org](http://www.santarosaquiltguild.org) Linda Hooper has written easy-to-understand directions about how to utilize the library site. To locate her instructions, click on the underlined "here" in the second paragraph at the top of the library page. Let me know if you would like guidance with the site and we'll sit down at the Library's laptop computer after a meeting. *A hint: if you are looking for an author, remember to type in the last name first, and if you are searching for a book title, type in the first "important" word leaving the a, an, and the's 'til the end.*

Be sure to let me know if you find an item that our library needs!

Our dear "Bag Lady," Juanita Campbell very sadly died in August of 2012. She was also our resident authority on Hawaiian quilts and quilting. Juanita's son contacted Pam McVey and she assisted him in finding homes for many of her sewing items. Pam sorted through the boxes of books and provided our library with many titles that we did not already have. Juanita will be missed, but remembered through her donations:

## Tri-Guild Luncheon News

Open up your new 2013 Calendars to April. We have a date for you!

*April 6, 2013*

On Saturday, April 6th the Santa Rosa Quilt Guild will be hosting this annual luncheon. Our guests will be members of the Petaluma Quilt Guild and Moonlighters Quilters of Sonoma County.

The Tri-Guild committee has already developed a plan, theme, door prizes, menu, invitations -- everything you can think of to make this luncheon the very best.

Guess what? You are also part of the Tri-Guild committee! We need the help of every member in the guild whether you will be at the 4/6/13 luncheon or not.

In the coming months I will be asking for volunteers and our special committee chairs will be letting us all know how we can help. Trust me -- there will be something for everyone.

So mark your calendars and be ready to add your touch to this occasion.

 Janice Juul

## Pointless Sisters

The Gallery is open Thursdays and Fridays from 12- 4 p.m, by appointment (707-874-9392), and during events.

## Friendship Blocks

I was so amazed at how many Friendship Blocks (FB) came in during 2013 that I decided to continue as coordinator for 2013! Block requests will continue to be introduced by email, accompanied by instructions/patterns, and will also be announced at the meetings.. You may sign up by email, or at meetings, or by phone. Elaine Tucker will put block request information on our website, including download links for patterns/ instructions. Elaine also posts on the Guild website photographs of all blocks submitted, with the name of it's maker.

Explanation of program: The FB program is a "time release" block exchange - This means that every block you receive must be offset with a FB credit that you can acquire in one of the ways listed below (or, in other words, "there is no free lunch".) Anyone with at least 3 credits, may request up to 20 blocks to be made for them. Think of this as "borrowing" the other 17 credits from the bank so you can get your blocks early. If you actually receive 20 blocks, 3 of these are offset by your qualifying 3 credits - but you then OWE the bank the other 17 credits.

The ways in which you get credits: make a FB for someone else; make a block for the opportunity quilt; make a block for the President's gift.

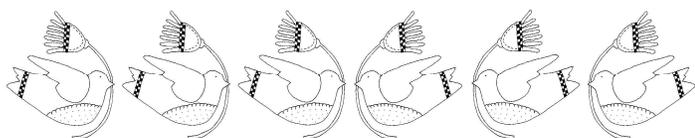

There are quite a few members who have 20 or more credits; there are many more who are more than halfway to 20 credits; and there are hordes of members who have at least enough credits to qualify to make a request for blocks.

Three requests were introduced during the holidays: Sharon Fry's heart block, Pam Beebe's Sunbonnet Sue, and Rhonda Denny's pieced cat block. Gale Davis's beach bird block is also still open to sign-ups.

At the January 3<sup>rd</sup> meeting I will have an updated FB credit list for members. Please check with me if you are not sure. If I can get the list updated in time, I will email it out through Sharon Fry.

Please don't hesitate to participate – either making blocks or requesting blocks. I am available to help get the block information down on paper, including patterns, templates, etc.

## Cloverdale Citrus Fair

This year's fair in Cloverdale will be a four day event over the Presidents' Weekend, beginning on February 15 through the 18<sup>th</sup>. The theme is Polynesian A'Fair. If you would like to enter an exhibit, go to: [www.cloverdalecitrusfair.org](http://www.cloverdalecitrusfair.org) . Click on "Citrus Fair", then "Exhibitors" under "Quick Links". There you will find the guidebook and entry forms. As we do every year, the Santa Rosa Quilt Guild will be awarding a Rosette and \$25.00 for the best hand quilting and \$10.00 and Rosette to the best Youth in Action quilt. Entry form deadline is January 25, 2013 at 5 pm.

## Community Outreach

In 2012, our Community Outreach donated 89 scarves and 3 hats to two schools. These hand knit and crocheted items were donated by Santa Rosa Quilt Guild "elves." Have a Happy New Year in 2013 and keep making those hats and scarves!

## Technique Sharing Workshops

Rhonda Denny and I will be coordinating the TSW program for 2013. These are short demonstrations or hands-on sessions during which Guild members share a technique. We would love to have suggestions as to topics of interest, potential instructors, something you would like to share. Please contact either of us by phone, email, or at any of the meetings.

We will continue to post on the website the description of each TSW and any supplies needed for the hands-on sessions.

There will be sign up sheets for each TSW. We appreciate if you sign up in advance for those that interest you, so that we may have the correct number of handouts, chairs, etc.

Our first TSW is on January 3. Sharon Fry will show us how to crochet fabric strips into placemats, table toppers, or whatever else you want. This is a way to use fabrics in your stash which no longer appeal – the fabrics that you look at and say to yourself "What was I thinking!" When they are cut into strips and crocheted, they are much more attractive.

# Joyce Gross

Joyce Gross, renowned quilter and mentor for the Santa Rosa Quilt Guild passed away on December 24, 2012.

Joyce opened a quilt shop in Mill Valley, California in the 1960's and eventually began teaching quilting at Santa Rosa Junior College. Her students were so excited and enjoyed each other's company, so Joyce suggested that they keep meeting on their own after the class finished. The Santa Rosa Quilt Guild was founded in 1976, and the first meeting being held at Doty Zagar's home with 15-20 people attending.

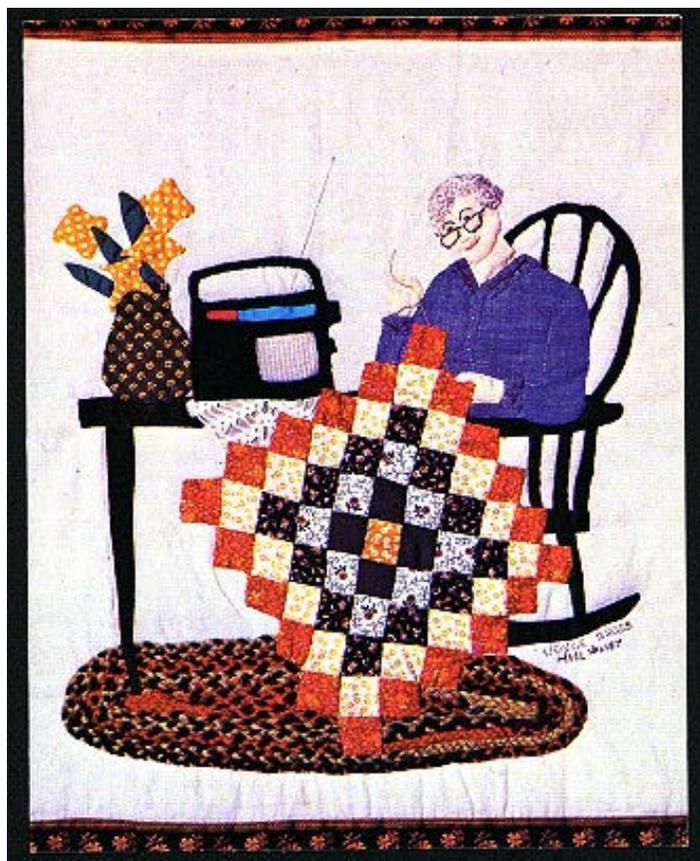

Joyce also founded Quilter's Journal in 1977, a magazine dedicated to quilt history. In 1980, she was a founding member of the American Quilt Study Group. For 20 years, from 1981 to 2001 she ran the Point Bonita Quilt Retreat. Joyce was inducted into the Quilter's Hall of Fame in 1996 and was an Honorary Life Member of SRQG.
